The undersigned attorney of record hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the instant application that would extend beyond the expiration date of the full statutory term of U.S. Patent No. 6,409,765 (hereafter "the prior patent"), as the term of the prior patent is defined in 35 U.S.C. §§154 and 173, and as the term of the prior patent is presently shortened by any terminal disclaimer(s). The owner hereby agrees that any patent so granted on the instant application shall be enforceable only for and during such period that it and the prior patent are commonly owned. This agreement runs with any patent granted on the instant application and is binding upon the grantee, its successors or assigns.

In making the above disclaimer, the owner does not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. §§154 and 173 of the prior patent, as the term of the prior patent is presently shortened by a terminal disclaimer, in the event that the prior patent later: expires for failure to pay a maintenance fee; is held unenforceable; is found invalid by a court of competent jurisdiction; is statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. §1.321; has all claims cancelled by a reexamination certificate; is reissued; or is in any manner terminated prior to the expiration of its full statutory term as presently shortened by any terminal disclaimer.

Enclosed is the statutory fee of \$140.00 pursuant to 37 C.F.R. §1.20(d).

Respectfully submitted,

Date: 03 March 2009
